1. What do you think about the video? Do you agree or disagree with it? Explain why/why not.:

I agree with the video. The emotional ~~al~~ intelligenc~~et~~ is the most important quality in a person

2. What definition does Goleman give about emotional intelligence?:

~~It~~ Is the capacity of the people to manage their~~s~~ feelings and emotions

3. Could you explain the difference between emotional intelligence and IQ?:

The iQ is the capacity to resolve the logical operations in the job and the Emotional intelligenc~~et~~ is to understand and manage the emotions

4. Why does Goleman think that emotional intelligence could be more important than IQ at work?:

Because he is essentially a philosopher and psychologist and he thinks that all is possible ~~with~~-if the people ~~has~~ have emotional intelligenc~~et~~

5. Do you know anybody at work as described in the video?:

Not at all , but I know some people as he described in the video

6. Is there anything else you would like to add about what Goleman said?:

Yes , in some cases, when the people are extremely intelligent it would seem that they can not have a good intelligenc~~et~~ emotional . There are some examples in the history of the science like Newton or Einstein.
