

Name:

Cecilia

1. What do you consider to be the main reason(s) why some people are unhappy at work?:

~~i~~ I believe the main reason is that so many people ~~doesn't~~ don't do what they want or dreamed of

2. Could money be the only reason why they are not happy?:

that's one of many reasons, but not the only one

3. Describe the "four ideas" that could make employees happier: 1) Trust/respect 2) Fairness 3) Listen 4) Change:

feeling important, equal rights, possibility of making suggestions, feel self-~~o~~pinions counts

5. What things do you agree and/or disagree with in the video?:

I agreed almost on everything, but in developing countries like ours some things aren't an option, like asking for a new laptop

6. Write a short paragraph (80 words) describing how you feel at work.:

I feel now that ~~I~~ I'm exactly where ~~I~~ I want to be. In the past I worked in many other places, recently forced by the pandemic, just to pay bills. I had to deal with some unpleasant people, specially bosses, and other stuff like working 24 hs shifts and spending the night in a hospital room. But now ~~i~~ I can develop my true specialty and passion, which is the study of breast pathology, and ~~I~~ I'm doing it surrounded by the best colleagues in their field. Now I can finally say that ~~I~~ I'm happy at work.

Great job!!!
