No, ~~I~~ think that here in Argentina there are many reasons, for example the low salaries, long working hours

3. Describe the "four ideas" that could make employees happier: 1)Trust/respect 2) Fairness 3) Listen 4) Change:

1.Trust/respect: Allows ~~to~~ the employees to do ~~that~~ what they consider it's correct at work.2: Employees want to be treated ~~in~~ with fairneess with /like? others employees

5. What things do you agree and/or disagree with in the video?:

I agree with the four ideas, i think that it would be great if these ideas could be applied in all ~~the works~~ jobs

6. Write a short paragraph (80 words) describing how you feel at work.:

When ~~i~~ I worked in my last job ~~i~~ I felt uncomfortable because the salary was ~~for~~ by commission, so ~~i~~ I was to work 8hs per day and if ~~i~~ I sold then i got the payment. I worked in a call center when the activity started again after the isolation. Before that ~~i~~ I worked in a health food shop and it was a little ~~more good~~. Better. The pay was better than the call center and my boss were more ~~com~~ amfortable and responsible with me.
